Office Memorandum • UNITED STATES GOVERNMENT

TO : SAC [REDACTED]

FROM : SE E. DAVIS PORTER

SUBJECT: AARON KLUG
[REDACTED]

DATE: April 30, 1953

b7E

On April 30, 1953, stops were placed with [REDACTED] Acting Customs Agent in Charge, Room 201 Customs House, 2nd & Chestnut Streets, Philadelphia, Pa. and with [REDACTED] Chief of Entry and Departure Section, Philadelphia District Office, I & N S, Lafayette Building, 5th & Chestnut Streets, Philadelphia, Pa. in order that this office may be advised should KLUG come to the United States.

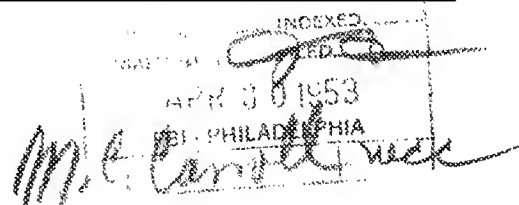

b6
b7C

[REDACTED] suggested that in view of the fact that the great volume of persons coming to the United States from England arrive at New York, a stop should be placed with the Customs Agent in Charge in New York.

[REDACTED] advised that if there was anything subversive or any "Security Angle" about KLUG, he would not be permitted to enter the country. [REDACTED] further advised that if such circumstances did exist, the only way KLUG would be permitted to enter the country would be on specific authorization from the headquarters of Immigration and Naturalization.

[REDACTED] was not advised of the nature of the Bureau's interest in KLUG and was only requested to advise this office should KLUG arrive in the United States.

FROM : Director, FBI (100-399412)

SUBJECT: AARON KLING
[redacted]

ReBulet dated 3-17-53, and your letter dated 5-1-53.

ReBulet advised that subject is presently in England and has been offered a research fellowship at the University of Pennsylvania and plans to come to the United States. You were requested to place stops so that the Bureau would be advised in the event the subject came to the United States. Your letter advised that subject is not enrolled at the University of Pennsylvania and that stops were placed with INS and Customs in Philadelphia.

It is possible that a check of the enrollment records at the University of Pennsylvania would not reveal whether the subject was actually at the University as he may have been granted a teaching fellowship. You are requested to contact appropriate sources of information at the University and determine if the subject has actually been granted a research fellowship and when he is expected to arrive in the United States to accept the fellowship if one has been granted.

RE: AARON KLUG

Confidential Informant T-1, a confidential source abroad, advises it can confirm the fact that KLUG and his wife, LI-HE, nee BOBROW, arrived in England on September 23, 1949. He has since been studying at Cambridge University, where he is a research student at Trinity College.

T-1 notes the KLUGs returned to South Africa in September, 1952, but have since come back to England, having left the Union during last January. T-1 was informed that neither KLUG nor his wife came to security attention in South Africa because of political activities.

However, T-1 did receive information from a reliable source in the summer of 1951 that KLUG was a member of the "South African Students Union," described by T-1 as "Communist-controlled." T-1 notes there is some reason to believe that KLUG and his wife are more interested in the subject of racial discrimination than in Communism.

T-1 also states that, when KLUG returned to England, it was believed to do research work at the University of Pennsylvania after he had taken his Ph.D. examination at Cambridge. ?
